Hollywood being Hollywood, debate and dispute abound, not least with height and date of birth. Age is at time of award; hair color is, of course, subjective, variable, and assisted.

† Indicates that the actor or actress won their award appearing in that year's best picture. ‡ Indicates that the individual refused to accept their award. Peter Finch's 1976 Oscar was awarded posthumously and accepted by his widow; he died in January 1977. Key to actresses' hair color: ● Blonde · ● Brunette · ● Redhead · ○ Silver/gray.

Key to astrological symbols: ♏ Capricorn · ♒ Aquarius · ♓ Pisces · ♈ Aries · ♉ Taurus · ♊ Gemini · ♋ Cancer · ♌ Leo · ♍ Virgo · ♎ Libra · ♏ Scorpio · ♐ Sagittarius.
